

CSHE San Diego Chapter

*Wednesday, March 9, 2016
at 6 pm*

Topic: District Cooling, including overview of
The East Village District Plant

Location: Jackson and Blanc Village District Plant,
across from Petco Park , 100 Park Blvd

Dinner: Mexican Street Tacos

Join us as we discuss the advantages to
District cooling and the efficiencies gained
By implementing a mechanical cooling
System like the EDVP.

RSVP: CSHE State Office jjones@calhospital.org 916-552-7639

Questions: Scott "Corky" Sigurdson

Cell 858-790-1461 ssigurdson@rmc.com

Additional business: Melissa Asplund of Air Tek has agreed to be the
Chairperson for the 2016 Holiday Party and Diane Reardon of
Prevent has stepped up to be the 2016 chairperson for the Golf
Tournament. We are asking membership to consider joining one of these
Committees, or both to put together two wonderful events.
