

5 THINGS YOU NEED TO KNOW ABOUT BARRIER MANAGEMENT TODAY

WEDNESDAY, JULY 20, 2016
5:30 PM

Fire containment through barrier management is an important part of the overall fire protection plan. In *Five Things You Need to Know About Barrier Management Today*, find out how to navigate the requirements for fire-rated penetrations, fire and smoke dampers, and fire doors.

Register now to learn the steps to compliance to keep your AHJ happy, and help you maintain a safer facility.

ABOUT THE SPEAKER

Heidi Young has worked in the fire protection industry offering life safety solutions to facilities inside and outside of healthcare for more than 15 years. Heidi is a regional sales manager for LSS Life Safety Services, and enjoys volunteering for nonprofits, such as Goodwill Industries International.
