2023 Annual Meeting & Exhibition

March 30-31, 2023

Ocean Place Resort & Spa One Ocean Boulevard Long Branch

*Agenda**Thursday, March 30, 2023*
(4.5 CEUs Available)

8:30 - 10:00 AM	Registration	Foyer
9:00 - 10:00 AM	Breakfast	Foyer
9:15 - 9:45 AM	Promotional Theaters	Promenades 1&2
10:00 - 10:30 AM	Welcome	Atlantic Ballroom
10:30 AM - 12:00 PM	<p><i>Health Equity and Social Justice: A Primer for Pharmacy Professionals</i> (1 ACPE Contact Hour of Credit for Pharmacists & Technicians)</p> <p>Humberto Jimenez, PharmD Clinical Assistant Professor, Ernest Mario School of Pharmacy, Rutgers University</p> <p>Navaneeth Narayanan, PharmD Clinical Associate Professor, Ernest Mario School of Pharmacy, Rutgers University</p> <p>Christine Dimaculangan, PharmD Clinical Assistant Professor, Ernest Mario School of Pharmacy, Rutgers University</p> <p><i>Pain Management Considerations for the Older Adult: Best Practices in Opioid Stewardship</i> (0.5 ACPE Contact Hour of Credit for Pharmacists & Technicians)</p> <p>Donna M. Lisi, PharmD, BCPS, BCGP, BCACP, BCPP, BCMTM Independent Pharmacy Consultant/ Educator</p> <p>Jessica Bente, PharmD Geriatric Clinical Pharmacist, Cooperman Barnabas Medical Center</p>	Atlantic Ballroom
12:00 - 12:30 PM	Lunch & NJSHP's Update & Advocacy	Atlantic Ballroom

Agenda

12:30 - 1:30 PM	Patient Safety Pearls: 2023 Top 5 Platform Presentations (1 ACPE Contact Hour of Credit for Pharmacists only)	Atlantic Ballroom
12:30 - 1:30 PM	<i>Evolving Roles for Pharmacy Technicians: A Focus on Compounding, Reimbursement, and Billing Specialty Areas</i> (1 ACPE Contact Hour of Credit for Technicians only)	Promenades 1&2
	Berna Sweeney, CPhT Pharmacy Business Manager Corporate Pharmacy, RWJBarnabas	
	Anne Hameed, CPhT, CSPT Pharmacy Billing, Denials & Appeals Specialist Corporate Pharmacy, RWJBarnabas Health	
	Bryan McCormick, CPhT, MBA Corporate Director, 340B Program Corporate Pharmacy, RWJBarnabas Health	
12:30 - 2:00 PM	Reverse Expo	Seabright
1:30 - 2:00 PM	<i>Creative Pharmacy Interventions for Tackling Medication Reconciliation</i> (0.5 ACPE Contact Hour of Credit for Pharmacists and Technicians)	Atlantic Ballroom
	Edward Dix, PharmD Director of Pharmacy, Inspira Medical Center Mullica Hill	
2:00 - 2:30 PM	Break	Foyer
2:30 - 4:00 PM	<i>An Unroyal Highness: Cannabinoid Hyperemesis Syndrome</i> (0.5 ACPE Contact Hour of Credit for Pharmacists and Technicians)	Atlantic Ballroom
	Nadia I. Awad, PharmD, MS, BCPS, FAACT Emergency Medicine and Pediatric Pharmacist Robert Wood Johnson University Hospital New Brunswick	
	Keynote Presentation: <i>Putting Yes, And To Work: Building a More Adaptable, Empathetic, and Humanizing Healthcare Experience</i> (1 ACPE Contact Hour of Credit for Pharmacists and Technicians)	
	Cory Jenks, PharmD Pharmacist, Improv Comedian, Speaker, VA Tuscon	

Agenda

4:00 - 6:00 PM	Exhibition and Poster Session, Social Reception, Music, and Door Prizes <ul style="list-style-type: none"> • Appetizers • Open Bar • Cash Prizes • Free 1-year NJSHP Membership 	Monmouth Ballroom
----------------	---	-------------------

Friday, March 31, 2023

(5 CEUs Available)

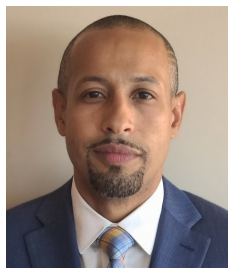

6:45 - 8:00 AM	Registration	Foyer
7:00 - 8:00 AM	Breakfast	Atlantic Ballroom
7:15 - 7:45 AM	Promotional Theaters	Promenades 1&2
8:00 - 8:15 AM	Welcome	Atlantic Ballroom
8:15 - 10:15 AM	<p><i>Cybersecurity Considerations for Pharmacy Professionals</i> (1 ACPE Contact Hour of Credit for Pharmacists and Technicians)</p> <p>Mitch G. Sobel, BS Pharm, RPh, MAS, FASHP, CPGx Director of Pharmacy, University Hospital</p> <p><i>Immunization Update 2023: What's "in" with Immunizations?</i> (1 ACPE Contact Hour of Credit for Pharmacists and Technicians)</p> <p>Antonia Carbone, PharmD, BCACP Clinical Professor of Pharmacy Practice Fairleigh Dickinson University School of Pharmacy</p>	Atlantic Ballroom

Presenters

(In order of presentation)

Humberto Jimenez, PharmD, MPH, BCPS, AAHIVP

Clinical Assistant Professor, Ernest Mario School of Pharmacy, Rutgers University

Health Equity and Social Justice: A Primer for Pharmacy Professionals

Humberto R. Jimenez is a Clinical Assistant Professor at the Ernest Mario School of Pharmacy, Rutgers University, maintaining a practice site at a clinic for persons with HIV within St. Joseph's University Medical Center in Paterson, NJ. He also serves as the Director of Diverse Scholar Engagement and Advancement at Rutgers Biomedical and Health Sciences, where he is charged with helping create inclusive environments where diverse faculty thrive. Humberto received his Bachelor of Science and Doctor of Pharmacy degrees from the Ernest Mario School of Pharmacy and his Master of Public Health degree in Epidemiology from Rutgers University's School of Public Health. He passionately executes his role as a clinician and educator and is a steadfast agent for change in the fight for a diverse, equitable, and inclusive environment on campus and in our health care system. Humberto is also a co-founder and executive board member of Waves of Health, a non-profit organization dedicated to providing medical care to under-resourced communities abroad.

Navaneeth Narayanan, PharmD, MPH, BCIDP

Clinical Associate Professor, Ernest Mario School of Pharmacy, Rutgers University

Health Equity and Social Justice: A Primer for Pharmacy Professionals

Navaneeth (Nav) Narayanan, PharmD, MPH, BCIDP is a Clinical Associate Professor in the Department of Pharmacy Practice and Administration at Rutgers University Ernest Mario School of Pharmacy. He jointly practices as an Infectious Diseases Clinical Pharmacist at Robert Wood Johnson University Hospital in New Brunswick, NJ. He is also an Adjunct Associate Professor in the Division of Infectious Diseases at Rutgers University Robert Wood Johnson Medical School. Dr. Narayanan received his Doctor of Pharmacy (PharmD) degree from Rutgers University Ernest Mario School of Pharmacy, completed two years of clinical residency training including his PGY2 Infectious Diseases Specialty Residency and Global Health Clinical Scholar Program training at the University of California San Francisco (UCSF). He earned his Master of Public Health (MPH) degree in Epidemiology from the Rutgers School of Public Health. Dr. Narayanan is a Board Certified Infectious Diseases Pharmacist (BCIDP).

Christine Dimaculangan, PharmD, BCACP

Clinical Assistant Professor, Ernest Mario School of Pharmacy, Rutgers University

Health Equity and Social Justice: A Primer for Pharmacy Professionals

Christine Dimaculangan, PharmD, BCACP is currently an Ambulatory Care Clinical Pharmacist at the Center for Comprehensive Care (at Jersey City Medical Center) and a Clinical Assistant Professor at the Ernest Mario School of Pharmacy at Rutgers University. She earned her Doctor of Pharmacy degree from the Philadelphia College of Pharmacy in Philadelphia, PA, completed a PGY-1 Pharmacy Practice Residency at Greater Lawrence Family Health Center in Lawrence, MA, then further went on to complete a PGY-2 Ambulatory Care Pharmacy Practice Residency at the University of Maryland School of Pharmacy in Baltimore, MD. She later received her board certifications in Ambulatory Care Pharmacy.

Presenters

At the completion of this activity, the learner (pharmacists and pharmacy technicians) will be able to:

1. Identify how gaps in cultural humility, implicit bias, social determinants of health disparities, and structural racism drive health inequities
2. Recognize how cultural humility, awareness and reduction of implicit bias, and advocacy for equitable care can improve the health of historically marginalized communities
3. Discuss strategies to close the gap of health inequities

(ACPE Credit for Entire Activity: (0.1 CEU: 0152-0000-23-004-L99-P & T Knowledge-Based)

Donna M. Lisi, PharmD, BCPS, BCGP, BCACP, BCPP, BCMTM
Independent Pharmacy Consultant/ Educator

Pain Management Considerations for the Older Adult: Best Practices in Opioid Stewardship

Dr. Lisi completed her Bachelor of Science in Pharmacy and Doctor of Pharmacy degrees from St. John's University in New York and a post-doctoral fellowship in Geriatric Pharmacy at Montefiore Medical Center in the Bronx. She holds board certifications in Pharmacotherapy, Geriatric Pharmacy, Psychiatric Pharmacy, Ambulatory Care Pharmacy, and Medication Therapy Management.

Dr. Lisi has worked in academia, long term care, acute care, behavioral health, hospice, and medical communications. She has held numerous faculty appointments both in the classroom and remotely and has taught medical and allied health disciplines about safe medication use. She is currently a mentor for St. John's University College of Pharmacy and for the American Society of Consultant Pharmacists.

Dr. Lisi serves as an appointed member of the Geriatric Council for the Board of Pharmacy Specialties, Chair of the Somerset County Local Advisory Council on Alcohol and Drug Abuse, Vice President of the Somerset County Office on Aging Advisory Council, Vice President of the Franklin Township Board of Health Advisory Council, and Facilitator of the Geriatric Psychopharmacology Community for the American Association of Psychiatric Pharmacists.

Dr. Lisi is a medical writer, consultant and educator, a reviewer for numerous professional journals, and an active member of numerous professional societies. She serves on committees for the American Society of Consultant Pharmacists focusing on transitions of care, the American College of Clinical Pharmacy's Geriatric Practice and Research Network, the American Society of Health-system Pharmacists' Education Steering Committee, and the Editorial Board of Generations for the American Society on Aging.

Dr. Lisi co-founder the Arizona Pharmacy Association's Pain Management Certificate Program and she has developed webinars for the NJ Hospital Association on opioid prescribing patterns, naloxone administration, and pain management in older adults for NJHA's Opioid Education Series.

Jessica A. Bente, PharmD, BCPS, BCGP
Geriatric Clinical Pharmacist, Cooperman Barnabas Medical Center

Pain Management Considerations for the Older Adult: Best Practices in Opioid Stewardship

Dr. Bente is currently the Geriatrics Clinical Pharmacy Specialist and PGY-2 Geriatric Pharmacy Residency Program Director at Cooperman Barnabas Medical Center in Livingston, NJ. She received her Doctorate of Pharmacy from St. John's University in Jamaica, NY then

Presenters

completed a PGY-1 pharmacy practice residency at Cooperman Barnabas Medical Center in Livingston, NJ. Dr. Bente served as the Transitions of Care pharmacist for 5 years, working with older adults diagnosed with COPD or pneumonia before she transitioned to her current role as the Geriatric Clinical Pharmacy Specialist and Residency Program Director. Dr. Bente is board certified in Pharmacotherapy as well as Geriatric Pharmacy and focuses on safe medication management and optimization in older adults.

At the completion of this activity, the learner (pharmacists) will be able to:

1. Discuss the influence of physiologic changes associated with aging on pain management considerations for older adults
2. Describe best practices for pain management considerations for older adults

At the completion of this activity, the learner (pharmacy technicians) will be able to:

1. List side effects and potential harms associated with opioid use in older adults
2. Identify non-opioid medications that can be used for pain management in older adults

(ACPE Credit for Entire Activity: (0.05 CEU: 0152-0000-23-005-L08-P & T Knowledge-Based)

Berna Sweeney, CPhT

Pharmacy Business Manager, Corporate Pharmacy, RWJBarnabas

Evolving Roles for Pharmacy Technicians: A Focus on Compounding, Reimbursement, and Billing Specialty Areas

Berna Sweeney is the Senior Pharmacy Reimbursement Specialist at RWJBarnabas Health (RWJBH). She received her Bachelor of Science Degree in Business Management from Kean University. She has experience working in retail and hospital Pharmacy settings most of her career. Berna wanted to somehow marry her degree with Pharmacy and landed with RWJBH in 2012.

For over 11 years, her role as a Senior Pharmacy Reimbursement Specialist focuses on: collaborating and interacting with various departments within the health system; ensuring medication billing complies with all billing guidelines and/or regulations; managing and optimizing medication replacement program; providing training & education sessions regarding billing and charge reconciliation; identifying opportunities and evaluating cost-effectiveness of new formulary additions based on payor mix, population demographics and reimbursement rates; developing process improvement initiatives to reduce billing inefficiencies or inaccuracies. Berna is also associated with RWJBH's Pharmacy Informatics Division that is involved with projects and initiatives to optimize healthcare analytics that consists of continual development, maintenance, revisions to Cerner & Epic, along with financial billing systems reports for the acute care line services.

Anne Hameed, CPhT, CSPT

Pharmacy Billing, Denials & Appeals Specialist, Corporate Pharmacy, RWJBarnabas Health

Evolving Roles for Pharmacy Technicians: A Focus on Compounding, Reimbursement, and Billing Specialty Areas

Anne Hameed was born & raised in the D.C. Metropolitan area, moving to New Jersey in 1988. Fortunate enough to be able to be primarily a stay-at-home mom for many years and focus on raising 5 children, she re-entered the workforce and joined the pharmacy department at what was then Robert Wood Johnson University @ Hamilton in October 1996.

Presenters

Anne became a PTCB-certified technician in 1998, participated in the selection of testing questions for PTCB's new compounding certification in late 2017 and was among the first to obtain the CSPT designation. She spent many years dedicated to the Oncology division and obtained a Hazardous Management certification from PTCB in 2022. Still part of the RWJ system (now RWJBarnabas Health) Anne recently moved to the Corporate Pharmacy Reimbursement Division and is already planning on sitting for the PTCB Reimbursement exam and obtaining an additional PTCB certification to showcase her diverse pharmacy background.

Bryan McCormick, CPhT, MBA

Corporate Director, 340B Program, Corporate Pharmacy, RWJBarnabas Health

Evolving Roles for Pharmacy Technicians: A Focus on Compounding, Reimbursement, and Billing Specialty Areas

Bryan McCormick is the Corporate Director of 340B for RWJBarnabas Health (RWJBH). He is responsible for 340B Program compliance and ensuring efficient operations for the health system's seven disproportionate share hospitals and one hemophilia treatment center.

Trained as a certified pharmacy technician, with a MBA in Healthcare Administration, he has a unique background in pharmacy operations and compliance. Bryan served as a certified pharmacy technician, hospital pharmacy buyer, contract analyst for RWJBH's owned group purchasing organization, and 340B analyst prior to transitioning into his current role. As the health system's 340B lead, he has managed six successful HRSA audits, eight independent reviews, and maintains all external relationships with 340B vendors and contract pharmacies.

At the completion of this activity, the learner (pharmacy technicians) will be able to:

1. Describe the responsibilities of a 340B program analyst
2. Identify the daily workflow and role of a compounding specialist
3. Explain the role of the pharmacy reimbursement specialist as it relates to managing billing and reimbursement for health-systems pharmacies

(ACPE Credit for Entire Activity: (0.1 CEU: 0152-0000-23-006-L04-T Knowledge-Based)

Edward Dix, PharmD, RPh, CCP, CIP, MTM-C

Director of Pharmacy, Inspira Medical Center Mullica Hill

Creative Pharmacy Interventions for Tackling Medication Reconciliation

Dr. Dix is the Associate Vice President for Pharmacy, Laboratory, and Medical Imaging for Inspira Medical Center Mullica Hill and Woodbury Health Center. He began his career with Inspira Health in 2005 as the Assistant Director of Pharmacy for Inspira Medical Center Woodbury, in which he oversaw the day-to-day operations of the pharmacy department.

In 2008, Ed received an adjunct faculty appointment as assistant professor of pharmacy practice at the Philadelphia College of Pharmacy until 2016. In 2013, Ed was honored with being awarded "Outstanding Adjunct Faculty of the Year Award". With his leadership and innovation skills Ed portrayed, he became the Director of Pharmacy for Inspira Medical Center Woodbury in 2016. Over the next 3 years Ed worked extensively on the planning, designing, and the successful opening of Inspira Health's new 365-million-dollar state-of-the-art medical center, Leading Edge Cancer Center in Mullica Hill, and the Inspira Retail Pharmacy of Mullica Hill. In 2021, Ed was selected as the 2020-2021 Inspira Director of the Year. Ed is an active member of ASHP and NJSHP. He is the current president of the NJSHP for the 2022-2023 term. Ed precepts the PGY1 pharmacy administration and leadership residency rotations and the PGY2 Service Line rotation. He is looks forward to

developing the next generation of pharmacy leaders.

At the completion of this activity, the learner (pharmacists) will be able to:

1. Describe the importance of medication reconciliation on patient care across healthcare settings
2. Recognize new strategies for ensuring accurate and complete medication reconciliation for hospitalized inpatients

At the completion of this activity, the learner (pharmacy technicians) will be able to:

1. Identify innovative ways that pharmacy technicians can support medication reconciliation procedures
2. Describe sources of information needed for medication reconciliation

(ACPE Credit for Entire Activity: (0.05 CEU: 0152-0000-23-007-L04-P & T Knowledge-Based)

Nadia I. Awad, PharmD, MS, BCPS, FAACT

**Emergency Medicine and Pediatric Pharmacist, Robert Wood Johnson University Hospital
New Brunswick**

An Unroyal Highness: Cannabinoid Hyperemesis Syndrome

Dr. Nadia Awad is an emergency medicine and pediatric pharmacist at Robert Wood Johnson University Hospital in New Brunswick, NJ. After earning her Doctor of Pharmacy from the Ernest Mario School of Pharmacy at Rutgers University, she completed two years of post-graduate residency training at Robert Wood Johnson University Hospital, specializing in emergency medicine pharmacy. She subsequently earned her Master of Science in Clinical Toxicology from the University of Florida. She is board certified in pharmacotherapy. Dr. Awad has authored over 30 peer-reviewed journal articles and research abstracts, and she has been featured on various blogs and podcasts related to emergency medicine. She is a Fellow of the American Academy of Clinical Toxicology. Her clinical interests include emergency medicine and pediatric pharmacotherapy as well as clinical toxicology. She can be followed on Twitter at @Nadia_EMPHarmD.

At the completion of this activity, the learner (pharmacists) will be able to:

1. Review the manifestations and complications of cannabinoid hyperemesis syndrome.
2. Discuss evidence-based treatment modalities in the management of cannabinoid hyperemesis syndrome.

At the completion of this activity, the learner (pharmacy technicians) will be able to:

1. Recognize adverse effects associated with cannabinoid use
2. Identify non-pharmacologic and pharmacologic approaches to managing cannabinoid hyperemesis syndrome.

(ACPE Credit for Entire Activity: (0.05 CEU: 0152-0000-23-008-L01-P & T Knowledge-Based)

Cory Jenks, PharmD

Pharmacist, Improv Comedian, Speaker

Putting Yes, And To Work: Building a More Adaptable, Empathetic, and Humanizing Healthcare Experience

Dr. Cory Jenks, earned his PharmD from the University of South Carolina in 2011 and completed a PGY1 residency at the Southern Arizona VA Healthcare System in 2012. His past pharmacy experience has included time as a retail pharmacist, outpatient clinical pharmacist, and

Presenters

inpatient clinical pharmacist. Currently, he practices as an Ambulatory Care Clinical Pharmacist where he applies his passion for lifestyle interventions in the management of chronic disease. Cory is also an accomplished improv comedian as well as author, having started on his comedy journey in 2013. Since then, Cory has coached, taught, and performed improv for thousands of people. His book, "Permission to Care: Building a Healthcare Culture that Thrives in Chaos," was released in February 2022. Today, Cory travels the country teaching other healthcare professionals how to apply the valuable skills of improv comedy to create a more adaptable, empathetic, and humanizing healthcare experience. When not working or performing improv, Cory enjoys raising chickens, playing racquetball, basketball and golf, exploring the science of disease management through lifestyle, and is currently earning his Master's Degree in "Dad Jokes" with the help of his two sons.

At the completion of this activity, the learner (pharmacists and pharmacy technicians) will be able to:

1. Apply the core tenets that make improv a useful tool for creating an adaptable healthcare experience
2. Demonstrate how the guiding principles of improv can build empathetic connections with patients and co-workers
3. Show how improv fundamentals can foster an environment that humanizes the healthcare experience

Mitch G. Sobel, BS Pharm, RPh, MAS, FASHP, CPGx

Director of Pharmacy, University Hospital

Cybersecurity Considerations for Pharmacy Professionals

Mitch G. Sobel is currently the Director of Pharmaceutical Services for University Hospital in Newark, New Jersey. He is currently adjunct professor for Fairleigh Dickinson University School of Pharmacy teaching a required course in Pharmacy Leadership and Management and

Pharmacy Practice Law. He serves as an Advisor for TOPGx, a pharmacist-driven pharmacogenomics software solutions company.

Mitch G. Sobel was appointed to the National Association of Boards of Pharmacy (NABP) Long Term Care Task Force by the President of NABP. This task force examines the provision of pharmacist care in the Long-Term Care, Nursing Home, and Assisted Living setting. Mr. Sobel was appointed by Governor Christopher Christie to serve on the New Jersey State Board of Pharmacy in March of 2014 and was elected Board President in June of 2022. Mr. Sobel has served on the NJ Board of Pharmacy as Chair of the Pharmacy Technician Certification Subcommittee and the NJ Department of Health Drug Diversion Coalition.

Mr. Sobel is a graduate of the University of the Sciences in Philadelphia, Philadelphia College of Pharmacy, and received his Masters in Administrative Science at Fairleigh Dickinson University. In addition, Mitch is a past Resident from the American Society of Health-System Pharmacists (ASHP) Residency Program. Mitch is also a graduate of the ASHP Pharmacy Leadership Institute at the Boston University School of Management. He is also a New Jersey Pharmacist Immunizer. Mitch is a Certified Pharmacogenomacist and received his training from the University of Pittsburgh School of Pharmacy and NACDs.

Mr. Sobel has worked in numerous pharmacy corporate, director, operations and managerial roles at Montefiore St. Luke's Cornwall Hospital in Newburgh, NY, St. Joseph's Health in Paterson and Wayne, St. Michael's Medical Center in Newark, Saint Barnabas Medical Center in Livingston, and The Valley Hospital in Ridgewood, New Jersey.

He also served as Director of National Accounts for CutisPharma/Azurity, a specialty non-sterile 503A

Presenters

compounding company from Boston, Massachusetts. He also served as a Consultant Clinical/Regulatory Affairs Pharmacist for Generation Pharmacy Group, a long-term care pharmacy provider. He was a Consultant Pharmacist/Industry Liaison/Partner for GenerRxMed/TOPGX, a Pharmacist-Driven pharmacogenomics clinical software solution for personalized medicine.

Outside of the office, Mitch Sobel has been President of the North Chapter and Director of Organizational Affairs of the New Jersey Society of Health-System Pharmacists (NJSHP). Mitch served for two terms (2007 and 2012) as President of the NJSHP and served as an American Society of Health-System Pharmacists Regional Delegate for six years representing NJSHP with 3 other Board Members. He has received the Greg Santora Leadership Award from NJSHP (2012) and was awarded as Fellow for ASHP (2012). He also participated with the Greater New York Hospital Association Pharmacy Advisory Committee.

In addition, Mr. Sobel has served on NJ Governor John Corzine's Task Force On Health Care Professional Responsibility and Reporting, The Division of Consumer Affairs Pharmacy Controlled Substances Security Committee, and The NJ Department of Health Emergency Preparedness Standards Committee.

Mr. Sobel has presented numerous posters and lectures on pharmacy law, clinical practice, and pharmaceutical practice topics for Fairleigh Dickinson University School of Pharmacy, Rutgers University - Ernest Mario School of Pharmacy, University of the Sciences - Philadelphia College of Pharmacy, Montclair State University, Sports Medicine Department, ASHP, NJSHP, and New Jersey Pharmacists Association (NJPhA).

At the completion of this activity, the learner (pharmacists and pharmacy technicians) will be able to:

1. Recognize the impact of pharmacy data breaches, ransomware and cybersecurity attacks on the U.S. healthcare system
2. Identify key vulnerabilities in electronic health records that increase susceptibility to cyber attacks
3. Identify key actions pharmacy professionals can take to minimize cybersecurity threats

(ACPE Credit for Entire Activity: (0.1 CEU: 0152-0000-23-010-L03-P & T Knowledge-Based)

Antonia Carbone, PharmD, BCACP

Clinical Professor of Pharmacy Practice, Fairleigh Dickinson University School of Pharmacy
Immunization Update 2023: What's "in" with Immunizations?

Dr. Antonia Carbone is a Clinical Professor of Pharmacy Practice at Fairleigh Dickinson School of Pharmacy & Health Sciences. She is a Board-Certified Ambulatory Care Pharmacist and a Certified Diabetes Care and Education Specialist and serves as Chair of the Interprofessional Education Council at FDU School of Pharmacy & Health Sciences.

She provides diabetes education and medication management for low income and vulnerable populations at her clinical site, Overlook Family Medicine. She leads diabetes medication group visits and often attends outreach events with her pharmacy students so that they can provide education to members of the community. She volunteers on the New Jersey Department of Health's subcommittee for Equitable Access to Healthcare as part of the NJ Healthy People 2023 initiative.

Presenters

At the completion of this activity, the learner (pharmacists) will be able to:

1. Recognize the new vaccine recommendations from the Advisory Committee on Immunization Practices (ACIP) and the U.S. Centers for Disease Control and Prevention (CDC)
2. Identify key changes to the 2023 immunization schedules
3. Explain the difference between the new pneumococcal vaccine products.

At the completion of this activity, the learner (pharmacy technicians) will be able to:

1. Recognize vaccine-related factors that impact vaccine effectiveness
2. Identify key changes to the 2023 immunization schedules
3. Describe reputable immunization information resources

(ACPE Credit for Entire Activity: (0.1 CEU: 0152-0000-23-011-L06-P & T Knowledge-Based)

Samuel Grossman, PharmD, PhD, CDCES, FADCES
Clinical Pharmacist and Diabetes Educator, Department of Veterans Affairs New York Harbor Health Care System

Innovations in Glucose Monitoring

Dr. Grossman is a Clinical Pharmacy Practitioner and Diabetes Care and Education Specialist at the Department of Veterans Affairs - New York Harbor Healthcare System. He is also the Chair of the NJ association of Diabetes Care and education specialists with more than 30 years of experience in diabetes and cardiometabolic management in institutional inpatient, primary care clinic setting, as well as retail community settings.

He coordinated many education programs for the community and to healthcare professionals in diabetes care and is currently faculty in Hunter Bellevue School of Nursing of the City University of New York.

Dr. Grossman is the 2012 Recipient of the Garden State Association of Diabetes Educators Educator of the Year Award, as well as the 2019 Distinguished Service Award and Lifetime Achievement Award from the Association of diabetes Care and Education specialists New Jersey Coordinating Body. In addition, Dr. Grossman is the 2022 Association of Diabetes Care and Education Specialists National Diabetes Educator of The Year. Dr. Grossman presented nationwide and published numerous publications about improving patient care in chronic diseases.

At the completion of this activity, the learner (pharmacists) will be able to:

1. Identify innovative ways for monitoring glucose levels
2. Describe the pharmacist's role in improving diabetes monitoring

At the completion of this activity, the learner (pharmacy technicians) will be able to:

1. Identify barriers to monitoring of glucose levels
2. Recognize key terms associated with continuous glucose monitoring equipment

(ACPE Credit for Entire Activity: (0.05 CEU: 0152-0000-23-012-L01-P & T Knowledge-Based)

Presenters

Siddharth Swamy, PharmD, BCPS, BCIDP

Clinical Assistant Professor, Ernest Mario School of Pharmacy, Rutgers University

Updates in Infectious Diseases: What's New for 2023?

Dr. Siddharth Swamy is a Clinical Assistant Professor at the Ernest Mario School of Pharmacy at Rutgers, The State University of New Jersey. He is a Clinical Pharmacy Specialist in Infectious Diseases at Hackensack University Medical Center. He received his Doctor of Pharmacy degree from Rutgers University in 2012. Siddharth went on to complete a PGY1 Pharmacy Practice Residency at Saint Michael's Medical Center in 2013 and a PGY2 Infectious Diseases

Pharmacy Residency at SUNY Downstate Medical Center in 2014. Currently, he teaches in and coordinates the Infectious Diseases Pharmacotherapy course at Rutgers University. He also serves as the preceptor for the Infectious Diseases rotation at Hackensack University Medical Center for pharmacy residents and students. The Ernest Mario School of Pharmacy awarded him with the William and Helen Levine teacher of the year award in 2022. His areas of interest within the field of Infectious Diseases include respiratory viral infections, antimicrobial resistance in gram-negative organisms, infections in the immunocompromised host, and antimicrobial stewardship.

At the completion of this activity, the learner (pharmacists) will be able to:

1. Describe epidemiology and new treatment paradigms in COVID-19 and monkeypox
2. Review top literature and guideline updates in infectious diseases

At the completion of this activity, the learner (pharmacy technicians) will be able to:

1. Recognize updates in infectious diseases, including new vaccine recommendations, approved in the past year
2. Identify proper storage and handling requirements for vaccines

(ACPE Credit for Entire Activity: (0.05 CEU: 0152-0000-23-013-L01-P & T Knowledge-Based)

Jaclyn Palummo Harth, PharmD, MBA

Critical Care Clinical Pharmacy Specialist, Hackensack Meridian Health Ocean University Medical Center

Preceptor Development: Leveraging Technology to Enhance Residency Program Efficiency

Dr. Jaclyn Palummo Harth is a clinical pharmacist at Hackensack Meridian Health (HMH) Ocean University Medical Center (OUMC), specializing in critical care. Jaclyn earned her Doctorate of Pharmacy from the Wilkes University Nesbitt School of Pharmacy in Wilkes Barre,

Pennsylvania along with a minor and concentration in Spanish. She completed her PGY-1 pharmacy residency at HMH Jersey Shore University Medical Center and has worked within the HMH network ever since. In 2021, Jaclyn graduated from Fairleigh Dickinson University's (FDU) Silberman College of Business with her Masters in Business Administration. Jaclyn currently serves as the critical care preceptor for the PGY-1 residency program at OUMC and precepts pharmacy students from FDU School of Pharmacy and Health Sciences. Her professional interests include critical care, opioid stewardship and pharmacy education.

Presenters

Yosef Nissim, PharmD, BCIDP

Infectious Diseases Clinical Pharmacy Specialist, Hackensack Meridian Health Ocean University Medical Center

Preceptor Development: Leveraging Technology to Enhance Residency Program Efficiency

Dr. Yosef Nissim is an infectious diseases clinical pharmacy specialist at Ocean University Medical Center in Brick, NJ. After graduating from the Philadelphia College of Pharmacy in 2018, he completed his PGY1 and PGY2 infectious diseases residency at WVU Hospitals in Morgantown, WV. At his practice Yosef is the vice chair of the Antimicrobial Stewardship Committee and sits on various other committees including sepsis, microbiology workgroup, and infection prevention. Yosef is also a member of the Residency Advisory Committee and is the residency research coordinator. Yosef is an active member of the Society of Infectious Diseases Pharmacists and the American College of Clinical Pharmacy.

At the completion of this activity, the learner (pharmacists and pharmacy technicians) will be able to:

1. Discuss tools to track select pharmacy residency outcomes and standards
2. Describe a “smart” ranking rubric created to support residency match rankings

Reviewers

Barbara Giacomelli, PharmD, MBA, has served as a consultant for McKesson Health Systems

All of the relevant financial relationships listed for these individuals have been mitigated.

About the Meeting

Take advantage of this once-a-year opportunity to gather with colleagues to network and exchange information, see the latest pharmaceutical products and technology innovations, and earn continuing education credits. Make your plans today to attend NJSHP's 2023 Annual Meeting & Exhibition for the latest information on cutting-edge pharmacy issues!

WHO SHOULD ATTEND?

Pharmacists, pharmacy technicians and pharmacy students in all practice settings, including hospital and community pharmacy, homecare, ambulatory care and clinic environments, managed care organizations, academia, industry and pharmaceutical benefit providers.

COVID-19 DISCLAIMER

Currently, NJSHP is planning for an in-person event. We will continue to monitor COVID-19 and all regulations regarding travel and safety to provide updates to our membership. NJSHP will require all presenters to adhere to all COVID-19 requirements put forth by New Jersey including but not limited to vaccinations, testing, mask mandates, social distancing, etc. to present at the 2023 conference

MEETING ATTIRE

Business Casual

PHOTO RELEASE

Any attendee of the NJSHP Annual Meeting & Exhibition gives NJSHP the absolute right and permission to publish, copyright, and use pictures which may include attendees in whole or in part, composite or retouched in character or form.

STUDENT COLLEGE BOWL COMPETITION

Teams will be challenged to provide answers to contemporary pharmacotherapy and pharmacy practice questions to score points for their team. Based on a "jeopardy style" format, this opportunity for students to demonstrate their knowledge and skills will be held from 10:45 AM – 12:15 PM on Friday, March 31st. Plan to sign-up to participate. You can be a winner for your school! 1st team prize is \$100 per person and 2nd team prize is \$50 per person.

POSTER SESSION

Posters will be on display during the exposition from 4:00 - 6:00 PM on Thursday and 1:15 - 3:00 PM on Friday in the Monmouth Ballroom. For those submitting posters, please make sure you are by your poster.

PRIZES AWARDED

Several prizes will be awarded. The drawing will take place from 4:00 – 6:00 PM on Thursday, March 30th, and from 1:15 - 3:00 PM on Friday, March 31th. Please visit all the exhibit booths to show our appreciation for our vendor support. Prizes will be given to those who attend the Exhibit Hall and visit with vendors. Instead of bingo card stickers, vendors will supply attendees with a raffle ticket. The other half of the ticket will be entered into the drawing at the end of each day. The more you visit, the more opportunities you have to win. You must be present to claim the Exhibit Hall prizes.

About the Meeting

CONTINUING EDUCATION CREDITS

The New Jersey Society of Health-System Pharmacists (NJSHP) is accredited by the Accreditation Council For Pharmacy Education as a provider of continuing pharmacy education. Credit will only be awarded for individuals who successfully fulfill all requirements, including verified attendance, successful completion of the activity, and submission of the post-session meeting evaluation. Credit is uploaded to CPE Monitor within 45-days of the activity.

The New Jersey Board of Pharmacy has granted 1 CE and 0.5 Law contact hours of continuing pharmacy education for attendance at the College Bowl Competition. **(Continuing Education certificates will be emailed within eight weeks of the program.)**

Registration Information

Registration in advance is requested but not required. (\$5.00 of your fee will be contributed to the NJSHP-PAC)

CANCELLATION POLICY

Cancellation requests must be received in writing to NJSHP headquarters. A \$25.00 administrative fee will be deducted from the registration fee for cancellations received by 12-noon on or before March 10, 2023. No refunds after 12-noon on March 10, 2023.

MEETING CANCELLATION

In case of inclement weather, call the Society's headquarters at (609) 936-2205 to determine if the meeting has been cancelled.
