OBJECTIVES: (Knowledge-Based) At the completion of this activity, the participant will be able to:

Pharmacist: (1 Contact Hour of CE)

1. Identify risk factors for stress-related mucosal disease
2. Explain the efficacy and safety of pharmacologic agents for stress ulcer prophylaxis
3. Summarize findings of recent literature related to stress ulcer prophylaxis

Technician: (1 Contact Hour of CE)

1. Recognize pharmacologic agents used for stress ulcer prophylaxis
2. List side effects associated with pharmacologic therapies used for stress ulcer prophylaxis
3. Identify formulations of products used for stress ulcer prophylaxis available for enteral access

RESERVATIONS ARE REQUIRED BY: Wednesday, December 15, 2021 by 12-noon: [CLICK HERE](#)

VIRTUAL LOGIN INFORMATION: Information for the virtual attendance will be sent to registrations via email on Wednesday, December 15, 2021.

Target Audience: This CE program was planned to meet the needs of pharmacists and pharmacy technicians practicing in a variety of health systems.

Program registration: There is no fee for attending this program.

NON-MEMBERS: This program is open to current, active NJSHHP members ONLY. If you are interested in becoming a member, please enroll online at: <https://www.njshp.org/Membership.aspx>

New Jersey Society of Health-System Pharmacists is accredited by the Accreditation Council for Pharmacy Education, as a provider of continuing pharmacy education.

Pharmacist: ACPE #0152-0000-21-025-L01-P

Technician: ACPE #0152-0000-21-025-L01-T

This is a **knowledge-based** program for pharmacists and pharmacy technicians. This program provides **1 contact hour** of continuing education credit.

This program is being sponsored by the **North and North Central Chapters** of NJSHP.

At the end of the program, attendees will receive a post-meeting assessment in their email. Completion of this will be required to record participation. This post-meeting survey must be completed within **30-days**. CE certificates will be available only to those who complete the post-meeting assessment. NJSHP is using CPE Monitor to record attendance at all of our ACPE accredited programs.
