

2023 Fall Conference & Tradeshow Evergreen Rural Water of Washington

Monday, August 28, 2023: Showing Dark Waters in Meeting Room E			
	Water – Meeting Room AB	Wastewater- Meeting Room E	W/WW- Meeting Room HIJ
7:00pm – 9:30pm	Dark Waters (0.1 CEU Water & WW)		
Tuesday, August 29, 2023: Registration 7:00am / Opening Session 8:00am in Meeting Room CD / Exhibit Hall Access			
8:00am-9:00am	Opening Session: Apprenticeship Program “Help Is On The Way” (0.1 CEU Water & WW)		
9:10am – 10:10am	Air Mitigation in Fluid Handling Systems with Air & Vacuum Relief Valves (0.1 CEU Water ONLY)	Lift Station Design and Considerations (0.1 CEU WW Only)	Increasing Your Water Systems Resilience to Cyber Threats & Natural Disasters (0.1 CEU Water & WW)
10:20am – 11:20am	Integrating AMI/AMR with SCADA (0.1 CEU Water & WW)	Activated Sludge (0.1 CEU WW Only)	Teaching Old Dogs New Tricks: How to Train Your System Decision Makers (0.1 CEU Water & WW)
11:20am – 1:00pm	LUNCH TO BE PROVIDED / EXHIBIT HALL OPEN / CORNHOLE TOURNAMENT BEGINS		
1:00pm – 2:00pm	Acoustic Leak Detection Using Residential Meters (0.1 CEU Water ONLY)	Aeration Basin Upgrades to Achieve Energy Savings & Reduce O&M (0.1 CEU WW ONLY)	Using New SCADA Technology to Better Manage Systems (0.1 CEU Water & WW)
2:10pm – 3:10pm	We Have Funding and How to Apply! (0.2 CEU Water & WW)	WW Operator Update (0.1 CEU WW ONLY)	Chlorine Math in System Design (0.2 CEU Water & WW)
3:20pm – 4:20pm		Lagoons & Biosolids (0.1 CEU WW ONLY)	

4:20pm - 6:00pm: An Evening with Exhibitors, Beer Tasting, Snacks & No Host Bar, Cornhole Tournament Continues
**Breakfast on Wednesday and Thursday will begin at 6:30am in Meeting Room CD. Classes start at 7:00am.*

Wednesday, August 30, 2023 Breakfast 6:30am / Exhibit Hall Access			
	Water – Meeting Room AB	Wastewater- Meeting Room E	W/WW- Meeting Room HLJ
7:00am-8:00am	Breakfast Presentation: Family Feud (0.1 CEU Water & WW)		
8:00am-9:00am	Reducing Non-Revenue Water (0.1 CEU Water & WW)	Biosolid Dewatering & Composting Technology Evaluations (0.1 CEU WW ONLY)	Maintenance = Energy Efficiency (0.2 CEU Water & WW)
9:10am-10:10am	Foundational Public Health Funding (0.1 CEU Water & WW)	Clogs Be Gone (0.1 CEU WW ONLY)	
10:10am-11:00am	SNACK BREAK WITH EXHIBITORS / CORNHOLE CONTINUES		
11:00am-12:00pm	Milk of Magnesia in My Drinking Water? (0.1 CEU Water ONLY)	Collections Plugging Solutions (0.1 CEU WW ONLY)	More Than Just Alarming Modern Monitoring Solutions Help Utilities Optimize Assets With Data (0.1 CEU Water & WW)
12:00pm-1:15pm	LUNCH (ON YOUR OWN)		
1:15pm-2:15pm	Source Water Protection- Is It Time To Model? (0.1 CEU Water & WW)	Emerging Solids Technologies (0.2 CEU WW ONLY)	Asset Management & Emergency Response (0.3 CEU Water & WW)
2:25pm-3:25pm	PFAS: Courses, Monitoring Rules & Potential Impacts (0.1 CEU Water & WW)		
3:35pm-4:35pm	Sanitary Surveys & Water Quality Issues (0.1 CEU Water & WW)	How to Make Nitrogen Gas (0.1 CEU WW ONLY)	
Thursday, August 31, 2023 Breakfast 6:30am/ Classes Start at 7:00am			
7:00am-8:00am	Breakfast Presentation: Speed Dating with Field Staff (0.1 CEU Water & WW)		
8:00am-9:00am	Lead Service Line Inventories and LCRR (0.1 CEU Water & WW)	FOG (0.1 CEU WW ONLY)	Control Valves Troubleshooting & Maintenance (0.1 CEU Water & WW)
9:10am-10:10am	Checking In With Check Valves (0.1 CEU Water & WW)	Wastewater Lab (0.1 CEU WW ONLY)	Developing SOPs (0.2 CEU Water & WW)
10:20am-11:20am	Drinking Water Roundtable (0.1 CEU Water ONLY)	Wastewater Roundtable (0.1 CEU WW ONLY)	

Don't forget to turn in your CEU form before you leave the conference to get credit for the classes you attended. You must be stamped in and out of each class in order to receive credit and you must have at least 3 hours of training in water or wastewater (not combined) in order to receive any CEUs. Your certificate will be available to download in your profile manager on our website, www.erwow.org
