

A resolution by the Washington Fire Chiefs Board of Directors Passed on July 27, 2020

Whereas, the worldwide COVID 19 pandemic has affected our county and individual states at an unprecedented level, requiring numerous changes in the normal activities and operations in our day to day society.

Whereas, the Washington Fire Chiefs (WFC) and greater Washington fire service has been affected by these changes, including restrictions on public gatherings and meetings required to conduct the operations and business of the WFC or fire agency.

Whereas, the WFC has ongoing business and operational needs that must be accomplished to maintain the WFC during this ongoing pandemic and into the ever changing and developing future.

Therefore, be it resolved, that the Washington Fire Chiefs Board recognize the value, success and necessity of online virtual meetings for conducting the business of the WFC. To include annual meetings, Board and Section meetings, votes of the membership or Section business and the election of officers.

Therefore, be it further resolved, that the Washington Fire Chiefs Board will post this resolution on the WFC website and distribute to all members.
